# Donald Kosiak, MD

**CHIEF MEDICAL OFFICER  
LEIDOS**

---

Donald Kosiak, MD, MBA, FACEP, CPE is a proven physician leader in change management and implementation of current and future healthcare trends. He is an accomplished medical thought leader connecting patients and medical providers in unique and innovative ways, and has a diverse background with international experience. He possesses expertise in strategic market penetration, deployment of technology in medicine, and staff development with more than a decade of clinical and administrative experience directing medical facilities, teams and staff. He also has extensive experience with negotiating between diverse groups of stakeholders and system leaders. Dr. Kosiak excels in aligning medical goals with business objectives, and has broad experience directly interfacing with high-level board of directors, executive leaders, and medical staff. Overall, he is a smart-working, visionary physician executive with strong leadership skills and a keen ability to persuade, motivate, and influence others.

As the Chief Medical Officer for Leidos, he is responsible for providing clinical subject matter expertise and perspective, knowledge, experience, leadership and direction to ensure collaboration and alignment to business strategy across the entire Leidos organization.

Prior to joining Leidos he served as the Vice President for Medical Development and Executive Medical Director for Avera Health, a 32-hospital integrated medical system based in Sioux Falls, South Dakota. In that role, he served as the chief medical officer of one of the top telemedicine programs in the United States. In addition, he has served as the elected Chief of Staff of the Avera McKennan Hospital, a 545-bed tertiary medical center located in Sioux Falls, South Dakota. Dr. Kosiak continues to serve in the United States Army National Guard as an emergency physician. He is currently assigned as State Surgeon, JFHQ, South Dakota Army National Guard. He is a decorated officer having served multiple tours of duty in support of Operation Iraqi and Enduring Freedom.

Dr. Kosiak attended medical school at the University of North Dakota in Grand Forks, ND. He completed his emergency medicine residency at the Mayo Clinic in Rochester, Minnesota. In 2010, he completed his Masters of Business Administration from the University of Mary in Bismarck, North Dakota. He is board-certified by the American Board of Emergency Medicine and the Certifying Commission in Medical Management.
