March 15th-"Optimizing IT Infrastructure Throughout Converged Technologies"

Please join Brett Foy to look at how the IT infrastructure landscape is changing and ways with which IT can begin providing "Healthcare IT as a Service" instead of just providing and managing back office infrastructure.

Thanks for Attending the Greater Chicago Chapter HIMSS16 Social Event!

Despite the saying, "what happens in Vegas, stays in Vegas," we just can't help but share with the entire chapter what a great event this year's GCC HIMSS Chapter reception was!

Nearly 175 attendees from across the chapter, stopped by to network with other HIMSS go-er's, enjoy some of "Nonna's lasagna" and a glass of red, and listen to the jazz band at Buddy V's Ristorante. The party, conveniently located just off the Grand Canals in the Venetian Hotel, looked so fun, that we even had a few guests from other chapters (ahem, Texas) who were eager to join our party!

After filling up on conversation and cannoli's, some of our Board members took a spin on the gondola's, taking turns serenading the passersby.

Thanks to our sponsors for their continued support that makes this and all of our events possible! We look forward to seeing everyone next year in Orlando!
