This conference venue was made possible through the collaborative efforts of the Utah Chapter of the American College of Healthcare Executives and the Utah Chapter of the Healthcare Information Management Systems Society (UHIMSS). This took a significant effort on the parts of many individuals. We extend a special thank you to Josh Spaulding, Intermountain Healthcare, Chair UHE Education Committee and Troy Wood, Mountain Star for leading this effort on behalf of UHE. I would like to also express my appreciation for the extensive efforts on the part of the UHIMSS Board and Committee Members with special recognition to...

### **UPCOMING EVENTS:**

We thank you for the time you spent to provide feedback on what is of utmost importance. Congratulations to those winners of the Amazon \$20 Gift Certificates for responding to the survey. There is an abbreviated view of the survey results in this newsletter. The full survey results will be posted on the UHIMSS website. It is this information that your UHIMSS Board is using to focus our efforts for 2014-2015.

At the end of June, we will be meeting as a Board to review our accomplishments during the 2013-2014 fiscal year and agreeing on the Committee recommended goals for the upcoming 2014-2015 fiscal year. We will be providing the outcome of our accomplishments and future objectives in our July newsletter. In consideration of the survey results, we will be rescheduling the July 19 luncheon for August, which will focus on Telehealth with guest speakers from Utah Telehealth Network. The date will be announced in July.

### **WELCOME NEW UHIMSS BOARD MEMBERS:**

We are excited to welcome our new UHIMSS Board Members starting their terms July 1, 2014-2015 fiscal year. **Surrogate Past President - R. Scott Holbrook**, a 41 year healthcare technology veteran in both vendor and healthcare provider organizations, HIMSS Lifetime-Fellow; service on the HIMSS National Board; Vice Chair of the HIMSS national board and a number of other HIMSS national committees. As we did not have a person serving in President-Elect position, I am continuing to serve as President for the 2014-2015 fiscal year. Scott will be sharing his national HIMSS experience prior to leaving on a mission at the end of 2014.

**Secretary – Mark Ellis**, 20 years of information technology experience. As Associate Information Technology Director, he provides a leadership role in the day-to-day operations of the information technology functions and interfaces with physicians and executive management at Lakeview Hospital and HCA Supply Chain. Mark has been featured in five healthcare publications including “Behind the Wires,” Health Leaders Magazine, August 2005.

**HIE Co-Chair - John Overbaugh** CISSP CCSFP GSLC GCIH WAPT, Director of QA and Director of Security for Medicity, in the HIE and HIPAA industry and most recently Managing Director for security services at Caliber Security Partners. After seeing the value of HIE technologies during his tenure at Medicity, John is passionate about health information exchange and helping to drive delivery and adoption of these technologies in Utah as well as nationally.

**Membership Co-Chair – Jayme Norrie**, founder and Chief Strategic Officer of a nonprofit, Gravitas Institute (formerly Linked Health Data Foundation) and CEO of a Health IT start-up Cube Linked. She has a 25 year career in medicine and healthcare, strategic planning and product commercialization executive with Pfizer for 12 years and held responsibility over \$5 billion in products.

### **HIMSS TRANSITION TO NEW WEB PROVIDER:**

Over the next three months, UHIMSS will be working closely with HIMSS to transition our website to the new provider platform. This will offer much needed flexibility in improving our website and ability to maintain it. This project is scheduled to be complete by the end of August. Appropriate content from our existing website will be transitioned to the new website. At the end of August, we will be going live on the new website. We appreciate your patience during this process.
